

# Fairfax County

## Typical Deck Details

### ATTACHMENT CERTIFICATION

Ledger board attachments to existing exterior wall shall be constructed per FIGURES 4 – 7 of the deck details. All attachments must be verified by County inspectors. If conditions at the existing house differ from, or are not represented in the details contained herein, a full plan submission is required or the deck must be free-standing.

**All decks to be attached to the existing house construction, will be attached with the following fastener types: lag screws, thru bolts, expansion anchors, or epoxy anchors. (see County Detail for figures)**

**Figure 4: LEDGER BOARD-TO DIMENSIONAL BAND BOARD (page 4)**

**Figure 5: LEDGER BOARD-TO-FOUNDATION WALL (page 5)**

**Figure 6: LEDGER BOARD-TO-MANUFACTURED RIM BOARD (page 5)**

**Figure 7: LEDGER BOARD-TO-REINFORCED PLYWOOD BAND BOARD (page 5)**

or

**Free-Standing Deck**

**I hereby certify that I will adhere to one of the above conditions, and that the field conditions will match those shown in the Fairfax County Typical Deck Details.**
